

Klein High Baseball 2010

Attention Local Business Friends:

It is time once again to offer you the opportunity to purchase advertising space in the annual Klein Baseball Program. KLEIN BASEBALL has a winning tradition and is highly respected in the Houston area. The Varsity won the State 5A Championship in 1998. Klein has advanced to the playoffs eight of the last eleven years prior to the State Finals. The tradition continues.....

Selling ads for the 2010 Klein Baseball Program is one of the Klein Baseball Booster Club's fundraiser's and helps to supplement the limited school budget for baseball. We are asking you once again to show your support for these fantastic athletes by purchasing an ad for your business. The rates are listed below for your convenience.

The 2010 programs will be available for display and distribution in March, and each advertiser will receive at least one copy. The deadline for placing your ad is January 15. Please remember that your advertisement is tax deductible. (Federal Tax I.D. #20-3683558)

If you do not wish to place an ad at this time but would like to show your support for the boys, donations are also welcomed! Thank you for your interest and continued support of Klein Baseball.
