9350CT

Formerly Food Production, Management, and Services I

Culinary Arts

- ⇒ *Grade Placement 10-12*
- ⇒ *Credit 2 Units*
- ⇒ *Recommended Prerequisite . . . Lifetime Nutrition and Wellness and Approval Process*
- ⇒ *Past Recommended Prereq . . . Nutrition and Food Science and Approval Process*

This course begins with the fundamentals and principles of the art of cooking and the science of baking. Emphasis is placed on safety, management, production skills and techniques in a professional kitchen setting. Students can pursue a national sanitation certification, ServSafe Certification, or any other appropriate food industry certification. This course will be offered as a laboratory-based course. Students are encouraged to participate in extended learning experiences. Students will be responsible for purchasing materials or assessed a fee associated with this course. This course is offered at Klein Forest High School and Klein High School. **Advanced Technical Credit is available through community colleges in Texas.**

9352CT

Formerly Food Production, Management, and Services II

Practicum in Culinary Arts

- ⇒ *Grade Placement 11-12*
- ⇒ *Credit 2 Units*
- ⇒ *Prerequisite Culinary Arts and Approval Process*
- ⇒ *Past Prereq Food Production, Mgt, and Services I and Approval Process*

This course is the continuation of the course, Culinary Arts, in providing a practicum in the professional kitchen industry. It provides occupationally specific opportunities for students to participate in a learning experience that combines classroom instruction with career experiences. Students are taught employability skills, which include job-specific skills, job interview techniques, communication skills, financial and budget activities, human relations, and portfolio development. Students will be responsible for purchasing materials or assessed a fee associated with this course. This course is offered at Klein Forest High School and Klein High School.

Formerly CTED Food Production, Mgt, & Services

CTED Culinary Arts, Career and Technical Education for Students with Disabilities

- ⇒ *Grade Placement 9-12*
- ⇒ *Credit 2 Units per year*
- ⇒ *Prerequisite Recommendation of the ARD committee*

This course prepares developmentally handicapped and other special needs students for gainful employment. Areas covered include safety, sanitation, quantity food preparation, use and care of commercial food preparation equipment, housekeeping skills, and preparation for job placement. This course is offered at Klein High school. Students will be responsible for purchasing materials or assessed a fee associated with this course. This course may be taken for more than one year – up to four years.

9353CT

New Course

Hotel Management

- ⇒ *Grade Placement 11-12*
- ⇒ *Credit 1 Unit*
- ⇒ *Prerequisite Approval Process*
- ⇒ *Concurrent enrollment required Hospitality Services*

This course focuses on the knowledge and skills for a career in the hotel industry. It includes an in-depth study of the departments within the hotel industry. Emphasis will be placed on professional communication, leadership, management, human resources, and technology. **The students must also enroll in the course, Hospitality Services in conjunction with Hotel Management.** The three hours of training take place at the hotel under the supervision of the school program coordinator and the hotel management team. After successful completion of the courses, Hotel Management and Hospitality Services, students have the opportunity to continue for a second year by enrolling in the Practicum in Hospitality Services and Tourism course. Students must provide their own means of transportation to and from the hotel. A uniform supplied by the student will be required. **Advanced Technical Credit is available through community colleges in Texas.**

9354CT

Formerly Hospitality Services I

Hospitality Services

- ⇒ *Grade Placement 11-12*
- ⇒ *Credit 2 Units*
- ⇒ *Prerequisite. Approval Process*
- ⇒ *Concurrent enrollment required Hotel Management 1 Unit*

This course will give students an opportunity to explore a career in all aspects of the hospitality industry. This includes hotel and restaurant management, travel and tourism, and business management. This course is a joint venture of the school district and a local lodging property. The program coordinator will work with students in placing them in areas of engineering, front office, accounting and finance, loss prevention, restaurant, banquets, culinary, housekeeping, sales, and marketing. **The students must also enroll in the course, Hotel Management in conjunction with Hospitality Services.** The three hours of training take place at the hotel under the supervision of the school program coordinator and the hotel management team. After successful completion of the courses, Hospitality Services and Hotel Management, students have the opportunity to continue for a second year by enrolling in the Practicum in Hospitality Services and Tourism course. Students must provide their own means of transportation to and from the hotel. A uniform supplied by the student will be required. **Advanced Technical Credit is available through community colleges in Texas.**

9356CT

Formerly Hospitality Services II

Practicum in Hospitality Services and Tourism

- ⇒ *Grade Placement 12*
- ⇒ *Credit 3 Units*
- ⇒ *Prerequisite Hospitality Services, Hotel Management and Approval Process*
- ⇒ *Past Prereq Hospitality Services I and Approval Process*

This course is the continuation of the Hospitality Services course. It allows students to explore their professional interest in the hospitality industry and focus on two individual areas or departments in which they wish to train extensively. In addition to being taught employability skills, students learn through classroom instruction and career experiences. Students must provide their own means of transportation to and from the hotel. A uniform supplied by the student will be required.

I (2 hr-9321CT) (3 hr-9322CT); II (2 hr-9323CT) (3 hr-9324CT)

Family and Consumer Sciences Career Preparation I, II

- ⇒ *Grade Placement 11-12*
- ⇒ *Credit I 2-3 Units; II 2-3 Units*
- ⇒ *Prerequisite 16 years of age and Approval Process*

This work-based instructional arrangement develops essential knowledge and skills through classroom instruction and on-the-job training in approved occupationally-specific training areas. Occupational areas include but not limited to: the food and beverage industry, child care, retail clothing and apparel, floral design, housing and property management, home furnishings, and hospitality. All areas include production, management, service, and entrepreneurship. Students must provide their own transportation to their training station.
