

Klein Girls Basketball Booster Club 2010-2011

Welcome to Klein! We are happy to learn of your student's participation in the Klein Girls Basketball Athletics program. Should your student become a member of the Klein Lady Kats, we invite you to become active members of the Klein Girls Basketball Booster Club.

Our Mission

Our purpose is to enrich the school's participation in extracurricular activities through support to the Klein High School Girls Basketball Program.

During the season, through volunteerism and financial support, we:

- Sponsor and coordinate events including special game days and our annual banquet
- Provide monetary assistance to purchase team equipment, gear, and supplies

Membership

We accomplish our goals through active member involvement and proceeds from membership dues and targeted fundraisers, such as business ad sales for our Annual Lady Kats Team Program.

Membership is encouraged and open to all families. **Dues are \$150** per player, per season. We make membership easy by offering two options to satisfy dues:

- 1) Full payment at our initial Player & Parent Meeting slated for October 25, 2010.
Or
- 2) Annual Lady Kats Team Program business ad sales: Sell \$200 in ads in lieu of the \$150 monetary payment (ads due in late November). See sample Program at initial meeting.

Spirit Items

Each season, we offer an array of spirit items available to team members and Lady Kats fans. Yard signs, hoodies, shorts, t-shirts, and long sleeve t-shirts are popular. Order forms and payment will be available at our Player & Parent Meeting.

Volunteer Opportunities

We have opportunities for your involvement and welcome your support. Learn how you can get involved at our Annual Player & Parent Meeting (watch for announcement).

We believe Girls Basketball is one of the most exciting sports at Klein. We have a great time at the games and enjoy working together on behalf of our girls. We hope to meet you on October 25, 2010, at 7:00 p.m. In the meantime, please call me if you have any questions regarding the Booster Club.

Best Regards,
